Dear Sir,

I am desired to invite reference to your Demi Official letter No.2524/L dated 18th September 1941 and to state that the sentence of transportation for life is one of the forms of punishment under the Penal Code as in force in Mysore State and that persons sentenced to transportation for life are incarcerated in the Central Jail, Bangalore, the practice of sending them to Andamans having been discontinued long back as expensive. I am also to add that the sentence of transportation for life is not commuted but only modified in appeal in deserving cases and only sentence of death is commuted into transportation for life in appeal. The period of imprisonment for the sentence of transportation for life is 20 years and where this sentence is reduced in appeal, the period of imprisonment specified should be undergone.

All these sentences are subject to revision by the Standing Advisory Board after the prisoners complete two-thirds of their sentence including the remissions earned by them according to the prescribed scale.

Yours sincerely,
